About

The Fountaine Pajot Saba 50 has elevated performance cruising to an entirely new level of style and has been designed to optimize living space while delivering outstanding performance at sea. The catamaran shares the elegant lines of the shipyard's H^{elia} 44 catamaran and has upgraded features including additional panoramic portholes to enhance the natural light and ventilation. The Saba 50 has enormous living areas making it ideal for extended cruising ventures and entertaining family and friends. The spacious saloon is accessed via an extra-wide entry door that seamlessly integrates the indoor and outdoor spaces, and features new skylights plus a spectacular panoramic window that encases the saloon and provides exceptional views and natural light. The L-shaped galley overlooks the saloon and cockpit, and boasts an abundance of storage space. The Saba 50 has been designed with multiple relaxation areas including a luxurious upper lounge deck that is equipped with a chaise lounge and two sunbathing decks. The generous cockpit features a large lounge, extra sofa, dining table for 10 guests, and there is also an option for a huge sunbathing lounge on the fore deck. The helmstation enjoys 360 degree visibility and excellent protection from the elements, and has easy access to the cockpit and upper lounge deck. All lines are ergonomically controlled for ease of handling, and embedded solar panels are conveniently located on the upper aft deck. Phoenix has 5 staterooms, including a spacious owner's suite, 3 other staterooms with partial walk-around beds. Each of these staterooms do have ensuite toilets and showers. The 5th stateroom can be utilized for Captain Only charters or as a stateroom. The bed in these quarters is a climb-in bed and has a separate head and shower across the hallway.
