About

FLORAMYE / FP ALEGRIA 67 EXPAND YOUR HORIZONS If sailing is an art form, the Alegria 67 is clearly its instrument. Designed to break free of all limits and conventions, she has enjoyed well-deserved success, courtesy of her myriad creature comforts, carefully selected for those who want to explore further afield. With a waterline length of over 20 metres, itâ s only logical that the Alegria 67 should include the quality of equipment and features worthy of this boatâ s status as a true yacht. UNIQUE DESIGN While her many spaces can all be fully opened for remarkable connectivity, there is still outstanding access when they are closed. The inner saloon has a door providing direct access to the forward cockpit when you wish to serve up a snack from the galley. A practical and convenient solution to suit all conditions. While boasting an abundance of space and volume, she remains a sailing yacht at heart. The two helm stations on either side of her expansive flybridge are a reminder of this, and, with her performance rig, the Alegria 67 is undeniably a Fountaine Pajot
