About

This model combines the functionality, ease of movement, social outdoor and indoor spaces and versatility of outboard walkaround center-consoles with a spacious, fully enclosed weather proofed cabin, that with distinctive looks challenges traditional perceptions of cabin boats. We consider the Axopar 37 to be the Gran Turismo of the seas, opening a world of possibilities for safe, extended voyages in comfort even in unpredictable weather. Every foot on board is used for socializing and practical living; indoors and now outdoors as well, infused with a myriad of new onboard solutions and functionalities, no matter if cruising along or spending time at anchor Axopar 37 Brabus Line is ideal for daily trips or even for multi-day trips for up to 2 people, where as for daily charter its ideal number onbord is 8 people
