About

Ferretti 500 is a 15+ meter motor yacht that combines modern style with high comfort and functionality. Designed for comfortable cruising in Mediterranean waters, it is perfect for charters for families and smaller groups. There are three spacious cabins and two bathrooms on board, providing a comfortable stay for 6 people. The upper flybridge deck offers an ideal space for relaxing, dining al fresco or enjoying the views while cruising. The yacht's interiors are bright and modern, with large panoramic windows in the salon that not only illuminate the space, but also provide contact with the outdoors. The Ferretti 500 is equipped with two Cummins engines with a combined output of 1,000 horsepower, and the steering and maneuvering system makes operating the vessel - even in marinas - comfortable and intuitive. This is a modern yacht that combines Italian design with practical solutions, offering high quality and comfort on every stage of the journey. It is great for both leisurely cruises and more active recreation at sea.
