About

The M7 invites you more than ever to savor the Art de Vivre envisioned by PRESTIGE. Sharing the privilege of a serene cruise with your loved ones, discovering beautiful new anchorages, and enjoying comfort dedicated to luxury and refinementâ these are the promises of the new M7. At sea or at anchor, the M7 offers a level of onboard comfort unimaginable in its class. Once again, the multihull configuration is prodigious, offering exceptional space and finishes, as well as absolute harmony with nature. The power multihull configuration allows you to enjoy 200 square meters of shared living space. On the main deck, priority is given to conviviality and the pleasure of living on the water. The luxurious layouts ensure maximum comfort and offer numerous configurations to meet every need, transforming your yacht into a home on the sea. The

outdoor spaces are optimized to ensure maximum passenger safety: the side door leads directly to the sidedeck, while the upper deck staircase provides protected access to the flybridge, which is covered in the Skylounge option. Inside, the 20-square-meter owner's suite, flooded with light, includes a spacious bathroom, wardrobes, and a large desk, guaranteeing perfect privacy. Onboard, everything is designed to enjoy a cruise with your loved ones in complete tranquility. At the stern, the lowered and widened "pool terrace" is ideal for taking in the sublime scenery. The hydraulic platform and storage space facilitate water sports activities. Thanks to the hulls being slender at the waterline and providing cushioned movements during navigation, the M7 consumes half the fuel of an equivalent monohull. For greater autonomy, the "Long Sejour" package will allow you to spend more time at sea without refueling; meanwhile, the "Silent Mode" option will let you be cradled by the gentleness of the night in perfect harmony with nature.

Main Specifications: Shipyard: Prestige Yachts Model: M7 Year: 2026 Length: 17.94 m Engines: 2 x Volvo Penta D8-550 V-DRIVE Cabins: 4+1 Bathrooms: 4+1 Fuel Consumption: 171 l/h (at 17 knots speed) Cruising Speed: 17 knots Maximum Speed: 20 knots Day Guests Capacity: 12
