About

With 4 cabins (8 passengers), with total of 4 double berths, Our 2022 built Jeanneau SO 440 BONBON is designed to have the best sailing experience. It offers you this chance together with comfort and a certain degree of luxury all year round with its Webasto heating system. It has got Quick chain counter, a bow jet thruster and a Raymarine navigation devices with advanced graphics accompanied by a high quality autopilot and a touchscreen chart plotter. Its 57 HP Yanmar engine is only about 800 hrs old and provides extensive power when necessary. Our family uses the boat too. So it is decorated as a family boat and it is far from being handled as a commercial mass service boat. It will give you the same warm feeling. It has got 2 wide electrical bathrooms with opportunity to take hot showers in both of them. Its kitchen is also wide with two practical refrigerators. Its batteries are brand new to provide the continuous electrical supply for the guests. We also keep safety as one of our top priorities and we provide automatic and regular life vests, a life raft and other safety equipment all up to date and high quality. And Bodrum, with its constant no-stormy sailing winds, with its access to most beautiful coves and bays, turquoise waters, historical sites, restaurants and other facilities, is rated as one of the top 10 sailing areas around the world by chatGPT. Our super sailor 4 cabins Jeanneau fits perfect to Bodrum area. It is just been acquired and presented for the sailors this season. Do not miss it. Bonbon Sailing is an boutique yacht charter company operating in Bodrum. We maintain our boats very well and provide utmost care, 7/24 support and guidance for you to get full
