About

Yot36 is a power catamaran with two 300 hp outboard engines. It's the ideal boat for a couple looking to spend a week in the Aeolian Islands with a skipper. The guest cabin is large with plenty of storage space and a bathroom with a separate shower. The galley is small and open to the outside. This boat is ideal for breakfast in the morning, quick lunches, and dinners out on the islands. It's a very fast catamaran, reaching speeds of up to 30 knots, making it ideal for quickly reaching your destination. It also can accommodate up to 15 people on board and could also be useful for those who want to rent a boat for the week to visit the Aeolian Islands, visiting a different island each day and staying in a hotel.
