About

LAGOON 450 "RELAX" 2020 model SEEING BIGGER The VPLP architects, together with Lagoon and the Nauta Design office, succeeded beautifully in developing a new 45â catamaran to replace the famous Lagoon 440 (more than 500 units sold). Of course, the irreplaceable qualities of the Lagoon 440 have been retained as a starting point: a steering station on the flybridge accessible from both sides of the cockpit, a forward cockpit, performance under sail... and an incomparable comfort in the saloon and the cabins. Larger and with a bigger sail area, the 450 F is offered in 4+2 cabins version,

and also benefits from important improvements in terms of safety, performance and cruising comfort. Registered protocol: 10 people on board including any crew Suggested passengers: 8
