About

ROXANI is a 45ft (~14m) long Sloop built 2002 by ELAN in Slovenia. Very strong and sporty constructed by Rob Humphreys she cuts through the waves with up to 15 knots and above under sails and 8 knts under engine. It is really fun sailing her and she offers plenty of room: a tastefull interior from mahagoni wood in comfortable cabins and a wide salon and pantry. She has one bathroom with electric toilet, basin and shower, a second bathroom forward and a single shower cabin. In the cockpit is plenty of space, a big table, all covered by a large bimini. At the bathing platform is a shower with hot and cold freshwater. On the large deck we have large mattresses for sun bathing. We have a complete new state of the art Navigation system from Raymarine, there is wifi on board a Fusion Soundsystem with wifi and bluetooth, you can stream from your phone, speakers under deck, in the cockpit and on deck. She was in the last two years completely overhauled and refit and is in a perfect condition. We are now in Thessaloniki/Kalamaria/Aretsou Marina for Serviceworks From April until mid of May you can book us from Thessaloniki. Then we are based in Porto Carras/Neos Marmaras in Chalkidiki. With the stunning view on Olympus are daycruises a perfect daytrip from Aretsou Marina in Kalamaria/Thessaloniki. The Marina is very easy to reach from the airport and the City of Thessaloniki. Our base in Porto Carras is truly the finest port you can find in northern greece. The Marina is part of the Porto Carras Grand Resort with 5-star Hotel, Casino, Golf, Tennis, beautiful pool landscape and golden sandbeaches with beachbars and restaurants. The Ressort composes the southern end of the bay of Neos Marmaras, a lovely grown up fishing village with fine shops and tavernas. All facilities of the Grand Resort Porto Carras are of course open for our guests too.

Specifications
