Launched in 2013 and meticulously refitted in 2021, S NUR TAYLAN presents a distinctive sailing experience across the East Mediterranean. This 35-metre Turkish gulet, with her 8-metre beam, offers expansive deck spaces and eight artfully appointed cabins, accommodating up to eighteen guests. A crew of six ensures impeccable service, allowing for unhurried exploration at a comfortable cruising speed of 10 knots. From her inviting sun deck to a full complement of water toys, she is a vessel designed for convivial gatherings and sun-drenched adventures. Accommodation: S NUR TAYLAN boasts eight well-appointed cabins, providing comfortable and private retreats for up to eighteen guests. Each cabin is a thoughtfully designed sanctuary, featuring individual air conditioning for personalised climate control and a TV for private entertainment. The layout ensures ample space and comfort, with a harmonious blend of traditional woodworking and modern amenities. Guests can expect plush bedding and serene surroundings, ensuring restful nights after days filled with Aegean exploration. The arrangement is perfect for larger families or groups of friends, offering both communal spaces and personal havens. Dining: Culinary delights are a cornerstone of the S NUR TAYLAN experience. The onboard chef crafts exquisite dishes, drawing inspiration from the rich flavours of the East Mediterranean, often incorporating freshly caught seafood and local produce. Dining takes place primarily al fresco on the aft deck, where a grand table sets the scene for memorable meals under the stars. The BBQ grill adds another dimension to the culinary offerings, perfect for casual lunches or sunset grilling, all served with a backdrop of ever-changing coastal scenery. Wellness: For moments of pure

indulgence, S NUR TAYLAN offers a refreshing Jacuzzi on deck, perfectly positioned for soaking away any cares under the open sky. The expansive sun pads and sun loungers across the decks invite relaxation and offer ample space for quiet contemplation or simply basking in the warmth of the Mediterranean sun. An outdoor shower provides a quick cool-down after a dip in the sea, contributing to a sense of rejuvenation and well-being throughout the charter. Toys: A treasure trove of water toys awaits, ensuring endless aquatic fun. Guests can choose from a stand-up Jet Ski, canoes, kayaks, and paddleboards for exploring secluded coves. For thrill-seekers, the donut, ringo, towable tube, wakeboard, and water skis (available for both adults and children) promise exhilarating rides. Light fishing gear is on hand for those keen to cast a line, and a collection of beach games provides entertainment on sandy shores. The stern platform acts as the perfect launchpad for all adventures. The Sundrenched Foredeck: The foredeck is a sanctuary for sun worshippers. Plush, oversized sun pads invite languid afternoons spent beneath the Aegean sun, with nothing but the gentle lapping of waves against the hull. Here, one can lose themselves in a good book, or simply gaze out at the sapphire horizon, feeling the warmth on their skin and the soft sea breeze. Itâ s a space designed for quiet contemplation and soaking in the glorious Mediterranean climate, far removed from the everyday. Aft Deck Al Fresco: The aft deck serves as the heart of outdoor living, a shaded haven for leisurely meals and spirited conversation.
