### About

The Oceanis 393 is a true concentrate of the art of living on a cruise. With easy maneuverability, the Oceanis Clipper 393 is suitable for sailing with a small crew. The symbol of this new generation Oceanis is designed exclusively for your pleasure of sailing. It is a well-finished and comfortable boat. Like all Beneteau-Oceanis, the hull is full layered so she is heavy and this affects her performance under sail. The interiors guarantee a height of around 2 meters or more. They are very bright thanks to the large transversal windows on the deckhouse, there are ample spaces to stow the galley and the kitchen equipment. A linear kitchen, chart corner, two spacious bathrooms as well as the three cabins.
