About

Wonderful catamaran Excess 11 is the ideal means to spend unforgettable moments of relaxation and fun with your family and friends. Excess 11 is the only catamaran of this length on the market produced in series. It is one of the smallest cruising catamarans that offers great comfort, large spaces, as well as pleasant sensations of sailing WITH HIGH PERFORMANCES UNDER SAILING. Furthermore, there are four double guest cabins and a dinette that can be converted into another double bed, accommodating a total of 10 guests. This is because one cabin in the bow to starboard is reserved for the skipper, while the other contains a third bathroom, also for the skipper. The Excess 11 is a boat suitable for long crossings and that offers a comfortable life on board. The work of the design office has focused on one goal: to provide a true cruising catamaran capable of taking you to the most remote place on earth to enjoy a small isolated bay, an abandoned beach or a secret wave. For more information do not hesitate to contact us.
