About

Samarkand is a 26.5 m (24 m on deck) two-masted motorsail gulet built by Etemoglu in Bodrum in 2007 and refitted in 2024. Zephyria Yachting charters her from Bodrum along the Turkish Riviera to Gˆ¶cek and Fethiye for up to 8 guests in 4 air-conditioned cabins, with a crew of 3 + 1: captain, chef and one or two seamen. Her epoxy-laminated mahogany hull carries 265 m´† of sail, and twin 280 hp Iveco engines give an 8-knot cruise (10 knots maximum). Two double cabins and two twins that convert to king-size doubles make her a natural fit for a family, two families travelling together or a group of friends, with wide teak decks, shaded dining aft and sunbeds forward.
