About

Our Bali 4.2 Serenity and the fantastic skipper Nik will give you unforgettable adventures. Our base is in Syvota, Lefkada, Greece, one of the most beautiful places in the region and our clients have one day in advance before the most of the other charter yachts in the region. Warning - our holidays are addictive! The catamaran was built in 2023 and is with 4 cabins + 1 crew cabin, 4 electric toilets + 1 crew toilet, large couch in the saloon, A/C, Generator, TV, Flybridge with Bimini, BBQ, Solar Panels, Invertor, Fully-equipped kitchen, Large Fridge, etc... The BALI 4.2 presents all the innovations aboard a boat signed by BALI CATAMARANS. In addition to the essential â BALI doorâ , there is direct access between the galley and the foredeck through a watertight door, without needing to go round the outside. The various relaxation areas, found on the flybridge and in the rigid forward cockpit offer comfortable sun loungers simply inviting you to laze around and relax.
