About

Introducing SOLANA, our brand-new Lagoon 43 catamaran, fresh from the factory and arriving in Greece in 2025. As hull #5 of this newly launched model, S/Y SOLANA is a prime example of Lagoon's innovative redesign, featuring an extra aft entryway for each hull, enhancing access, comfort, and safety. The Lagoon 43 offers a spacious interior layout with newly designed hull dimensions, providing expanded berths and larger cabin spaces, unmatched in its class. SOLANA, an owner's version, features three luxurious cabins, including a master suite that spans the entire starboard hull. This master suite offers a forward berth, an en-suite bathroom, and a private shower aft, creating a quiet, serene retreat reminiscent of much larger yachts. SOLANA is outfitted with premium amenities, including a generator, air conditioning, watermaker, icemaker, teak deck, and a custom-built large teak dining table. For water adventures, guests can enjoy two stand-up paddleboards, and snorkeling gear. Underwater lights add a magical touch, and complimentary WiFi ensures you stay connected throughout your journey. Experience the ultimate in luxury yachting aboard SOLANA, combining elegant design, spacious

living, and state-of-the-art features. BASE Our yachts are based in Sivota Bay, nestled in the southern region of Lefkada Island. Positioned centrally in the Ionian Sea, Lefkada serves as an ideal launching point for your exploration. From here, you can effortlessly sail either south or north, adjusting your course according to wind and weather patterns. Sivota Bay itself is a charming and picturesque locale in the southern part of the island, offering a unique opportunity to start and end your sailing adventure in one of Greece's most idyllic setting. Situated approximately 15 nautical miles south of Marina Lefkas, you'll enjoy the advantage of sailing ahead of the majority of other charterers. This allows you to discover typically more crowded destinations, such as the enchanting village of Fiscardo on Kefalonia, as early as Saturday evening. Moreover, by returning to our base in a serene bay on Friday night instead of a bustling marina, you'll gain an extra day to savor the delights of being onboard and exploring the surrounding beauty.

Specifications
