About

This Maldivian traditional Dhoni with just two air conditioned cabin-suites caters for 2-4 passengers and it is available for private charter only. The Dhonis are wonderful combinations of classic and modern style. Built by using mainly local wood, the finishing touches bring you back to a time of simplicity and elegance, nostalgic of the antique boats on which these cruisers were modeled; though the modern comforts of holiday luxury have certainly not been forgotten. Setting ourselves apart from the other cruisers available in the archipelago, where passengers share the boat with other tourists and follow a pre-planned program, Dhoni's guests are free to design their own cruise. You choose the destinations and activities that suit you, including: scuba diving, surfing, snorkeling, fishing, islands hopping and more. Stella 1 accommodates up to 4 guests in 2 cabins, one with 1 double bed and the other with 2 twin beds convertible into 1 double bed. All the cabins are individually air conditioned and have shower and toilet. Crew has a separate companionway, heads and shower.
