About

With a Bachelor's in Sport Science and a Master's in Human Nutrition, I bring a unique energy and expertise to every experience. I'm known for my upbeat outlook and adaptability, thriving on new challenges and learning quickly under pressure. With a lifetime of recreational sailing behind me and over three years of working professionally, I've had the pleasure of navigating catamarans, motor yachts, and sailing yachts ranging from 39 to 56 feet. Beyond sailing, I enjoy hiking, exploring new destinations, and flying planes recreationally.
