About

Strawberry • Lagoon 440 • Refit 2026 Say hello to Strawberry, our Lagoon 440 catamaran, thoroughly refitted for 2026. From her pink side stripes to her warm, boutique-style interior, she has a personality all of her own, and plenty of space for a happy week at sea. What's New for 2026 Engines and steering: two new Volvo engines with modern controls, a fully inspected and upgraded rudder and steering system, a new windlass, renewed propeller shafts, and upgraded running rigging and ropes. Sails: a new mainsail and mainsail cover, plus UV-protective covers for the mainsail and genoa. Power and navigation: all-new cabling, solar panels and inverter, a modern energy management system with battery monitoring, and twin Raymarine chart plotters in the saloon and on the flybridge. Bathrooms: brand-new electric toilets, with completely renewed plumbing, new through-hulls and upgraded sanitation. On deck: a new teak deck, new sunbeds, cushions and trampoline, a refreshed flybridge, and tinted panels for extra comfort and privacy. A new liferaft adds peace of mind. Inside: a one-of-a-kind Strawberry theme, with new beds, mattresses, linen and towels, new upholstery, leather finishes, themed curtains and carefully designed decorative details, restored woodwork, polished stainless steel, new fridges, upgraded galley equipment, refreshed fittings throughout and a fan in every cabin. Steady and Easy to Handle With a 25 ft beam and a shallow 4 ft draft, she's wonderfully stable and can tuck into the Ionian's hidden coves. Twin 54 hp engines make manoeuvring easy, even in tight harbours, whether you're a seasoned sailor or new to catamarans. Room for Everyone Strawberry has four cabins and four bathrooms and sleeps up to 12 guests: eight in the four main cabins, two on the convertible saloon sofa and two in the single cabins up front. Panoramic windows fill the saloon with light, and the open-plan saloon and galley is lovely for meals together or a quiet evening after a day on the water. You'll also find an espresso machine, quality linen, USB and 220 V sockets and a modern sound system. Sail or Simply Relax A full-batten mainsail, furling genoa and electric winch make her ready for proper sailing, while the generous cockpit, swim platform and sun pads are made for lazy days with family or friends. A Proper RIB Upgraded in the refit, Strawberry's tender is a real RIB rather than a simple dinghy: a large Viper 3.60 with a Honda 15 hp engine, steering wheel, flaps, hard floor and extra capacity, for comfortable trips ashore. Please note that an RYA licence is required for the RIB. Good to Know The RIB and its engine come with the Deluxe Charter Pack, along with two 50 m floating stern lines, and you'll find snorkelling equipment on board too. If you'd like a stand-up paddleboard (SUP), you can

add one as an optional extra. We can't wait to welcome you aboard Strawberry.

Specifications
