About

With its 52-foot length and good layout, the tefiti is ideal for hosting large groups of friends or families. It has a spacious cockpit with a bathing platform that opens up and enlarges the space to enjoy life at anchor. The cabins are spacious and well ventilated. The bathrooms are comfortable, having one large one in the stern and two normal ones in the forward cabins. There is also a skipper's cabin in the bow. She is a good sailor thanks to her length and large sails. Both the genoa and the mainsail are furling which makes it very comfortable to sail and it has a powerful engine and bow thruster which makes docking much easier. The galley has a three burner cooker, oven, two refrigerators and a salt water tap to save water when washing up.
