About

"The Beginning" is a 2024 Jeanneau DB 37, a yacht that sets a benchmark among luxury walkarounds. It combines elegance, comfort, innovative solutions, and exceptional performance, making every tour from Salerno to the most iconic destinations a unique experience. This contemporary-designed yacht measures 11.9 meters in length and 3.56 meters in width, comfortably accommodating up to 10 people. Powered by two Volvo Penta D4 engines of 320 HP each, it ensures smooth and efficient navigation. The hardtop provides shelter from the sun and wind, while the modular cockpit features an XL sunbed, a dining table, and a fully equipped kitchen with a sink and refrigeratorâ perfect for outdoor meals. The seating area in the cockpit is highly versatile, with sofas that can be adjusted to create an 8-person dining table or

forward-facing seating during navigation. The Fusion audio system, equipped with Bluetooth connectivity and 6 speakers, allows you to enjoy your favorite music throughout different areas of the boat. At the bow, a second sunbed can be transformed into a comfortable chaise longue. The spacious interior includes two separate cabins and a bathroom, offering a level of comfort rarely found in its category. High-quality finishes, premium materials, and meticulous attention to detail create a refined atmosphere. The DB 37 is reliable and versatile, with a cruising speed of 24 knots and a maximum speed of 33 knots, consuming approximately 75 liters of fuel per hour.
