About

Tikka is a beautiful Bali 4.6 configured with four nicely appointed queen staterooms, plus one bunk room. The bunk room shares a bathroom with the forward port stateroom making for the perfect family suite for those with smaller children. Or, the bunk space can be used to store luggage and extra provisioning. All staterooms have individually controlled air conditioning for your comfort. There is a large flybridge for spectacular views as well as for easy maneuvering and good sight lines for the Captain in command. ?

The Bali 4.6 catamaran distinguishes itself with its sleek profile. At the heart of the vessel, the innovative design merges the saloon and cockpit seamlessly. This area showcases Bali's signature features, including the unique pivoting door and expansive openings that epitomize the OpenSpace concept. These elements allow for exceptional airflow and natural illumination throughout. Comfort is paramount aboard the Bali 4.6, with thoughtfully designed seating areas that prioritize relaxation and luxury.
