About

The TIP TOP PLUS boat is ideal for river and lagoon cruises, but is also approved for sailing along the coast. It is recommended for a large family or 4 couples who want to maintain good comfort on board. The TIP TOP PLUS has two cabins at the bow and two at the stern. A forward cabin with a double bed that can be converted into two single beds (one upper bank can be installed on request) and the second cabin with a double bed that

can be converted into a single bed (with much more room and comfort in the cabin). Both cabins have a private bathroom complete with shower, washbasin and electrical toilet. There are two further cabins in the stern with two single beds that can be converted into a double bed. Both cabins have en-suite bathrooms complete with shower, washbasin and electrical toilet. All cabins are equipped with wardrobes and drawers. A contemporary d'cor and an eye toward functionality make the boat unique. Dinette can be transformed into a single or double bed; in this case guests can access the stern bathroom directly from the living room. In the centre is the large, bright saloon with entertainment area and first steering position; on a lower level, is the modern, fully equipped kitchen with gas oven and stove, a microwave and a large refrigerator/freezer. Shady terrace with table and chairs, for a friendly outdoor life. Second flying bridge steering position. Large upper sun deck at bow. The boat is also equipped with a directional bow thruster.
