About

About Beneteau Oceanis 34.1 - 2023 Imagine waking up every morning in this Beneteau Oceanis 34.1 and having the chance to spend the day exploring the best natural coves and Egadi Islands and all the hidden bays that would be otherwise unreachable by land and where you can just drop the anchor and spend some time at the sea. The sailing boat is definitely the most agile out of the available boat types. The monohull configuration makes it easy to handle and pilot, especially through the narrow spaces of marinas. Not too big nor too small, medium sized Sailing boats are the most popular choice when it comes to experiencing the ultimate sailing charter experience, for your family holidays or friends vacation. This Beneteau Oceanis 34.1 is able to host up to 8 people.
