About

Wave 50 isn't just a catamaran; it's a floating retreat designed for those who crave space, comfort, and seamless connection with the ocean. Every inch of this yacht has been crafted to enhance your experience, from its expansive interior to the most spacious in its class to the unique front cockpit, which offers both a cozy lounge and a trampoline, a rare combination on 50ft catamarans. Step up to the upper deck salon, where panoramic views surround a space as large as a traditional main salon, perfect for gathering, dining, or simply soaking in the scenery. And unlike many yachts in this class, our air conditioning runs independently; no need for the engine or generator, ensuring a peaceful and efficient onboard atmosphere. Wave 50 is all about freedom, whether you're lounging under the sun, enjoying an intimate dinner on deck, or feeling the thrill of the open sea. It's a yacht built not just for sailing, but for truly living on the water.
